

Is your career running you?

Today's clinician is finding it more difficult to enjoy the perfect work-life balance while healthcare systems continue to struggle with strained capital and staffing resources.

If your work-life is out of balance...introducing The Hire Source: **Clinical. Careers. Division.**

Why turn to The Hire Source?

Simply stated, experts provide the best. Our clinical career consulting team has over two decades of experience in healthcare human resource workforce planning and deployment. We bring our national recognition of work-life, clinical career balance leadership expertise to you! We lead multiple clinical recruitment initiatives and executive level placements by leveraging our network of client facilities dedicated to offering a work-life balance environment.

Work-Life Balance Commitment.

Today's healthcare professional is finding it more difficult to enjoy the perfect work-life balance while healthcare systems continue to struggle with strained capital and staffing resources. At The Hire Source, our clinical candidate placement strategy is based on open, two-way communication driven by mutual interest in your work-life balance and geographic goals.

Clinical Occupational Career Expertise. If you are a licensed...

...Provider (MD/ DO), Mid-level Provider (NP, FNP, PA), Rehab Specialist (PT, OT, SLP), Nurse (RN), Pharmacy Specialist (Pharm D) seeking new career opportunities, then we want to help you!

How Do You Become a Hire Source Clinical Careers Candidate?

Glad you asked because we know the last thing you want to do is fill out another application or go through a lengthy online-screening process.

Instead, simply **upload your current CV** and include phone number to call, the date and time range you have available for a 20-25 minutes telephone career consult—please include your time zone.

One of our Clinical Career Consultants will contact you at YOUR designated date and time to review your credentials, work history, skills/specialties, financial goals, clinical achievements, and your next career opportunity requirements.

We'll design the best skill marketing plan for your clinical expertise generating specific facility interest in you!
